SALONE
NAUTICO
VENEZIA

Sanlorenzo se vraća u centar Arsenala za ovogodišnje izdanje Salone Nautico od 28. maja do 5. juna 2022. godine, a takođe je i glavni sponzor Italijanskog paviljona na Biennale Arte 2022

Sanlorenzo is back in the heart of Arsenale for this year's edition of Salone Nautico from 28th May to 5th June 2022 as well as being the main sponsor of the Italian Pavilion at the Biennale Arte 2022

Venecija će ove godine ponovo biti domaćin jednog od glavnih međunarodnih sajmova posvećenih nautici, Salone Nautico Venezia. Mesto izložbe je i ovoga puta venecijanski Arsenal, simbol viševjekovne vojne dominacije Mletačke republike, zvane Serenissima, i žila kucavica njene pomorske industrije. Nenadmašan istorijski kontekst u samom centru Venecije sastoji se od vodenog bazena i potpuno restauriranih drevnih paviljona. Sanlorenzo je ponosan što je partner na ovom događaju zajedno sa Gradom Venecijom na ukupno 35.000 kvadratnih metara zatvorenog i otvorenog izložbenog prostora.

BIJENALE UMETNOSTI 2022

Put koji se sastoji od koherentnog napredovanja doveo je do toga da Sanlorenzo bude glavni sponzor Italijanskog paviljona na 59. međunarodnoj izložbi umetnosti - La Biennale di Venezia. Razlog za to jeste što umetnost predstavlja suštinu ovog brodogradilišta, duboko ugrađenu u bogato kulturno tkivo koje je sastavni deo njegove istorije. To dokazuju poslednjih 15 godina i prekretnice koje su ih obeležile. Biti uz Italijanski paviljon na 59. međunarodnoj izložbi umetnosti - La Biennale di Venezia, čiji je kustos Eugenio Viola, jedinstveno je i izvanredno dostignuće za Sanlorenzo. Ali iznad svega, to je još jedna polazna tačka sa koje se istražuju novi načini odnosa prema svetu savremene umetnosti i njenim jezicima u budućnosti.

In 2022 Venice will once again host one of the main international trade fairs dedicated to boating, Salone Nautico Venezia. The exhibition venue is once again the Arsenale di Venezia, a symbol of the centuries-old military domination of the Serenissima Republic of Venice and the beating heart of its naval industry. An incomparable historical context right in the center of Venice, consisting of a water basin and fully restored ancient pavilions. Sanlorenzo is proudly partnering this event together with the City of Venice on a total of 35,000 square meters of exhibition space, indoor and outdoor.

BIENNALE ARTE 2022

A path consisting of a coherent progression has led Sanlorenzo to be the main sponsor of the Italian Pavilion at the 59th International Art Exhibition - La Biennale di Venezia. For the essence of the shipyard, art, embedded in a rich cultural fabric that is integral to its history, is imbued art. This is demonstrated by the last 15 years and the milestones that have marked them. To be alongside the Italian Pavilion at the 59th International Art Exhibition - La Biennale di Venezia, curated by Eugenio Viola, is a unique and extraordinary achievement for Sanlorenzo. But above all, it is another starting point from which to explore new ways of relating to the world of contemporary art and its languages in the future.
